https://global.gotomeeting.com/join/333699349?_ga=2.234416478.1983021783.1606739580-1871249120.1601643580

MEETING RULES

Please, keep in mind the following rules to ease the management of the meeting and ensure a smooth remote participation:

The meeting will be recorded. If you **do not give your consent for a further use of your image and words** please inform us beforehand by email.

When connecting to the meeting, you will be requested to type your name. Please indicate your name, surname and institution for an immediate and easy sharing of this information with all.

Sound: use headphones or a headset to avoid echo.

Microphone: To avoid background noise during the meeting, keep your microphone muted unless you are given the floor. Note that you cannot intervene in the meeting until the moderator gives you the floor.

Should you want to take the floor for example to ask a question, notify the moderator in the chat window.

Camera: Deactivate your camera if your connection is not optimal. It is recommended to turn on your camera when you have the floor.

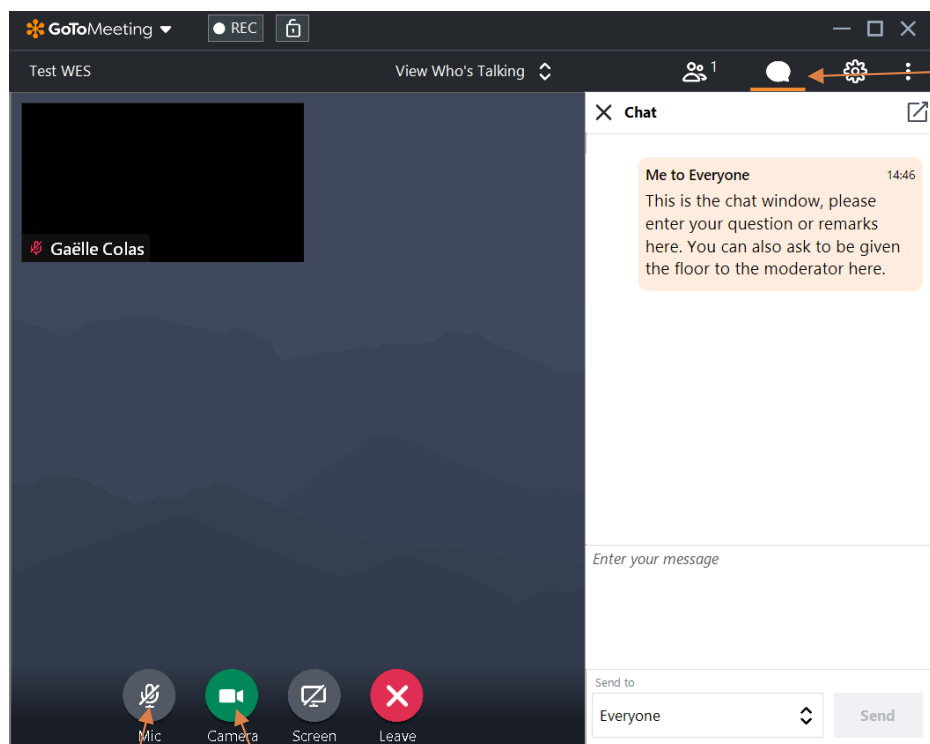

Chat: A chat box is available in the GoToMeeting menu, on the right. We recommend you use the chat to interact, either with all participants or only with the moderator.

Water and Environment Support
