The screenshot shows a Zoom meeting interface in Gallery View. At the top left, a red dot and the word "Recording" are visible. The main area is a 5x5 grid of 25 video thumbnails. The second thumbnail in the first row is labeled "Jeanne Rewa". The fifth thumbnail in the second row is highlighted with a red border. On the right side of the grid, there is a vertical toolbar with a blue play button icon and a "1/2" label. At the bottom, a dark toolbar contains icons for Unmute, Stop Video, Invite, Participants (with a count of 27), Share Screen, Chat, Record, and a red "Leave Meeting" button. Annotations with red arrows point to specific features: "Change Views" points to the "Speaker View" button and a view toggle icon; "Loudest person" points to the highlighted thumbnail; "More people" points to the vertical toolbar; and "Tool bar" points to the bottom navigation bar.

7. Wrap up of the meeting

WES Objectives

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

WES aims to protect the natural resources in the Mediterranean context and to improve the management of scarce water resources in the region. WES mainly aims to solve the problems linked to pollution prevention and the rational use of water.

- *WES capitalises on previous successful EU funded regional projects (Horizon 2020 CB/MEP; SWIM SM; SWIM-Horizon 2020 SM)*

WES Identity

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

Facts & Figures	
Partner Countries:	Algeria, Egypt, Israel, Jordan, Lebanon, Morocco, Libya, Palestine* and Tunisia
Project value:	7.917.200 Euros
Duration:	May 2019 – May 2023 (48 months)
Project team:	Team Leader: Professor Michael Scoulllos, scoulllos@wes-med.eu Water Expert: Ms Suzan Taha, taha@wes-med.eu Environment Expert: Mr Anis Ismail, a.ismail@wes-med.eu Communication & Networking Expert: Ms Pam van de Bunt, vandebunt@wes-med.eu Stakeholder engagement Expert: Dr. Emad Adly, wes.gc@raednetwork.org

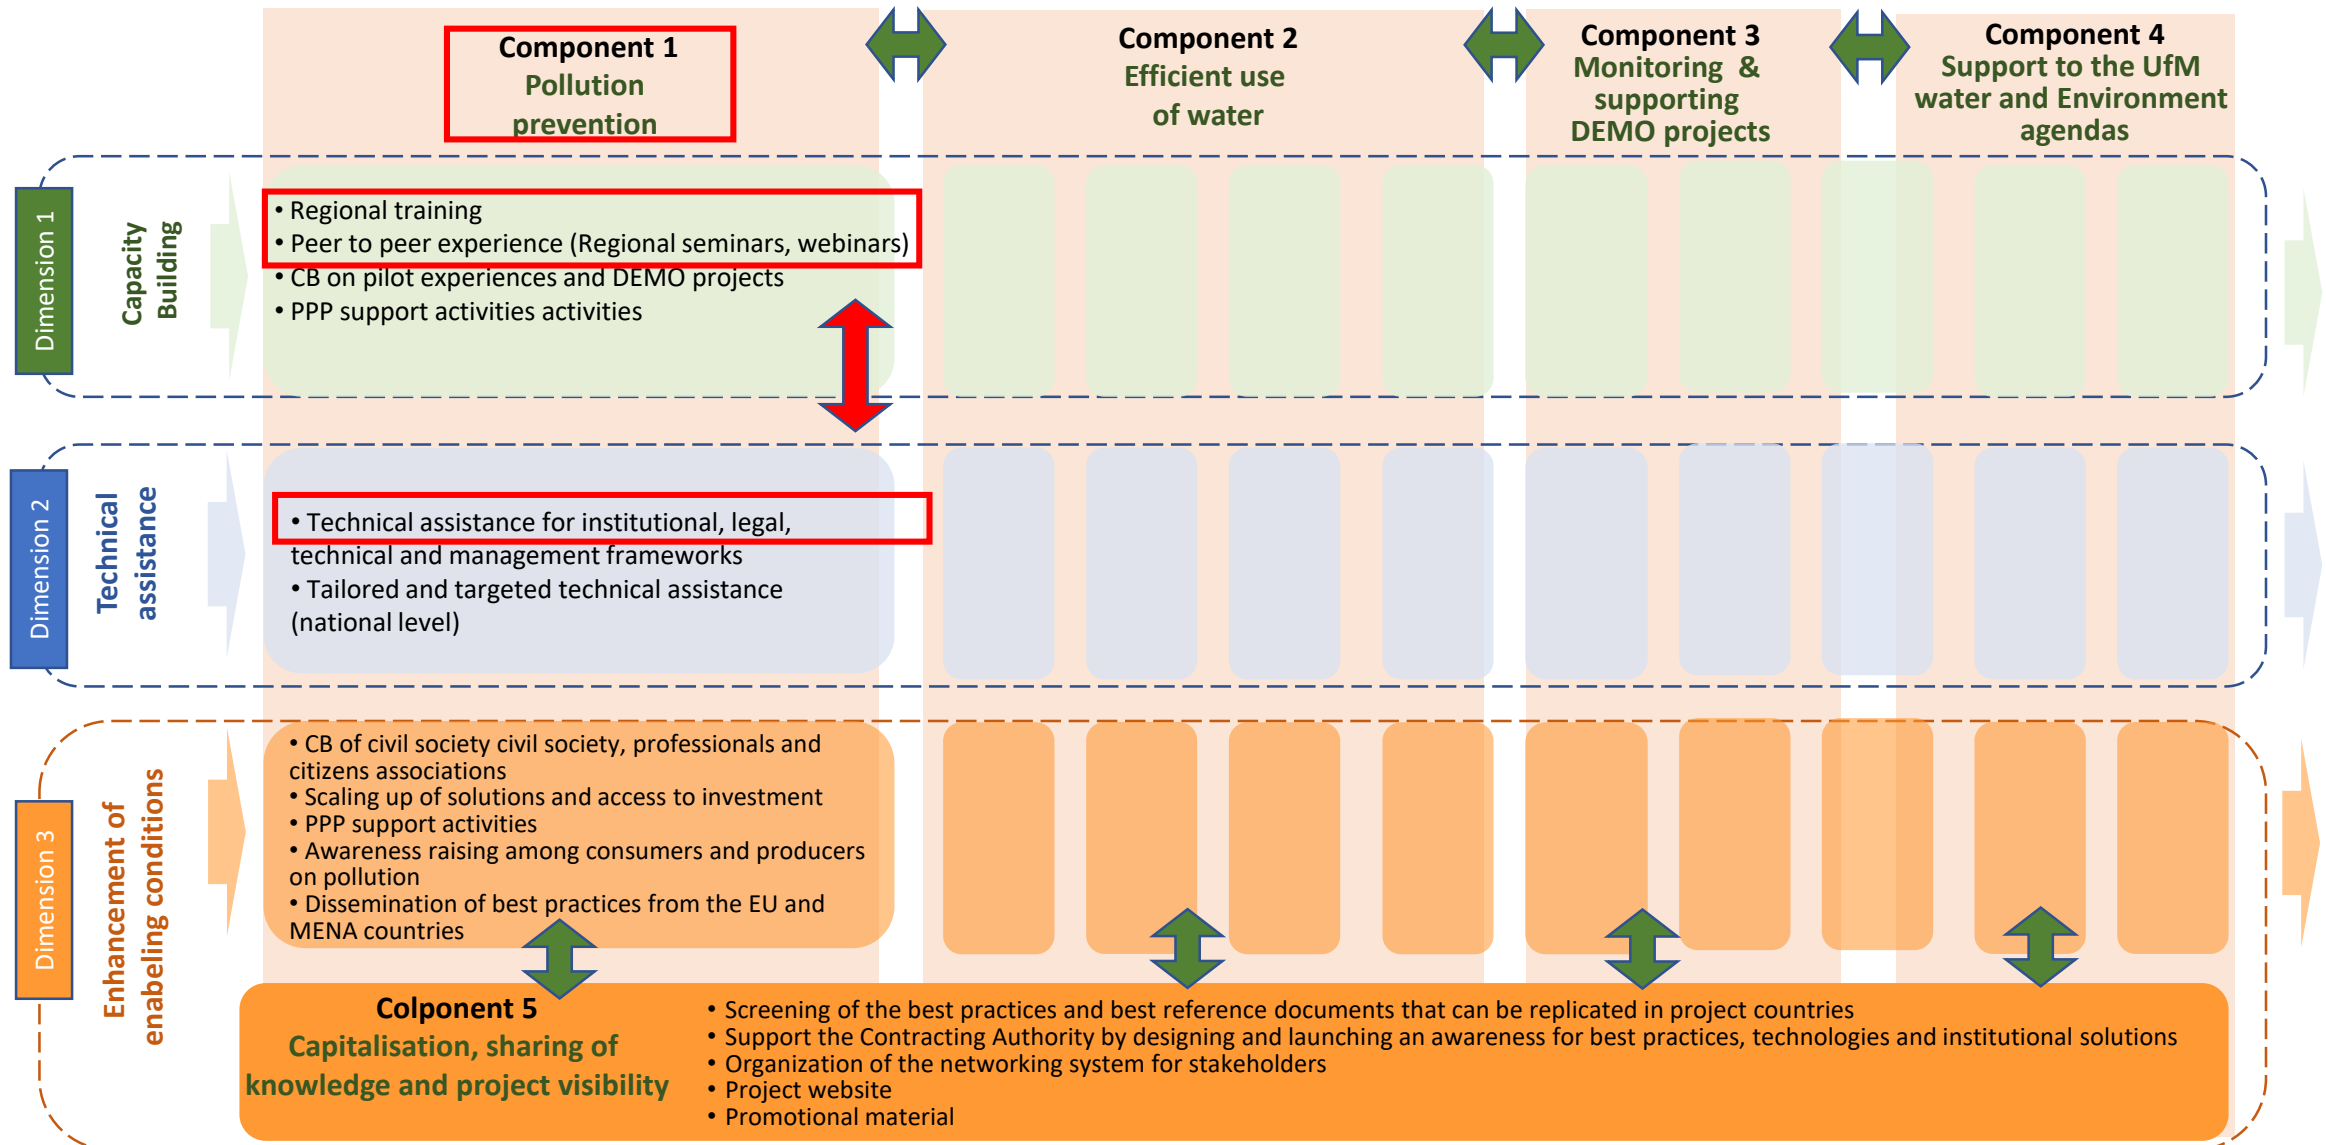

* This designation is not to be construed as recognition of the State of Palestine and is without prejudice to the individual positions of the Member States on this issue.

WES Project Structure

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

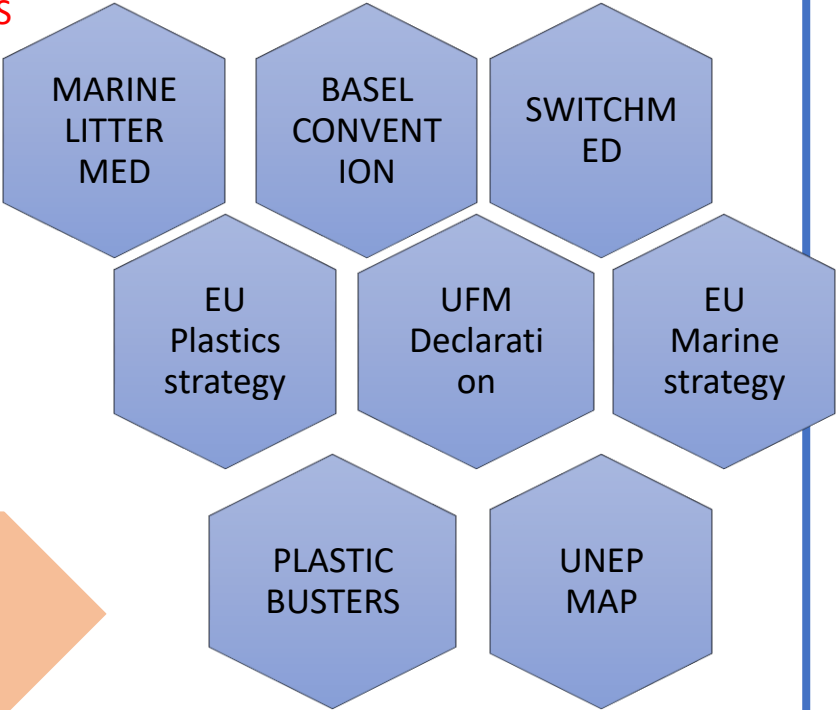

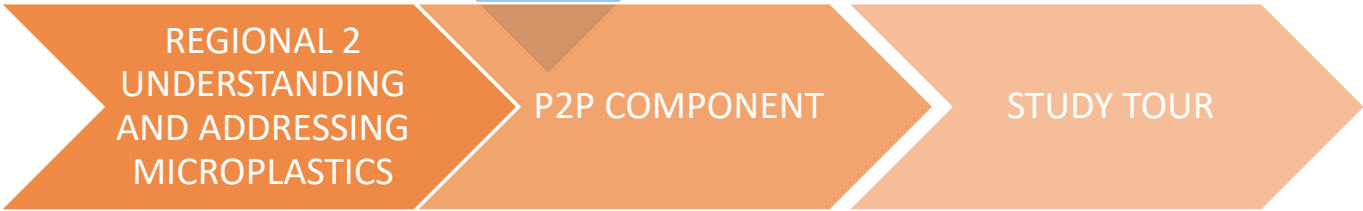

REGIONAL ACTIONS UNDER POLLUTION PREVENTION, TO TACKLE PLASTIC POLLUTION AND MARINE LITTER AND ADDRESS SINGLE USE PLASTICS

Topic 1: Curbing Plastic Pollution and Marine Litter

LINKS WITH REGIONAL PROCESSES AND PROGRAMS

NATIONAL ACTIVITIES: JORDAN, MOROCCO, EGYPT, LEBANON

3. Introduction to the WES activities on single-use plastics

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

RE-1 Phasing out SUPs in the Mediterranean

SPECIFIC OBJECTIVES:

- ✓ Support WES Partner Countries in formulating policy instruments to address SUPs.
- ✓ Co-development of a set of Guidelines to address SUPs in the Mediterranean
- ✓ Facilitate Peer-to-Peer experience sharing and knowledge transfer on SUP.

Adding small notes to someone's shared screen

Ajouter des petites notes sur l'écran partagé d'une personne

Peer's role

- **Sharing and learning** from other peer's experiences
- Providing **written feedback** to the regional **Mediterranean guidelines on SUP** under development
- **Proposing specific topics to be discussed** with others peers and coach
- **Sharing my country's experience** with the WES Project coach and technical experts
- **Shaping** meeting **Agendas** (*topics, speakers, etc.*)
- Directly participating in **running meetings** (*moderating a session, presenting an experience...*)

—

Rôle du Pair

- **Partage et apprentissage des expériences** d'autres pairs
- Formuler des **observations** sur «Lignes directrices relatives aux PUU» en cours
- Proposer des **sujets spécifiques à discuter** avec d'autres pairs et coach
- **Partager mon expérience** avec le coach du projet WES et les experts techniques
- Contribuer à **développer l'agenda** des réunions (*sujets, speakers, etc.*)
- Participer activement dans **la conduction des réunions** (*modération, présentation de cas*)

Peer's role

Survey feedback: 16 peers contacted , 13 responses

- 100%
 - **Sharing and learning** from other peer's experiences
- 72%
 - Providing **written feedback** to the regional **Mediterranean guidelines on SUP** under development
 - **Proposing specific topics to be discussed** with others peers and coach
- 63%
 - **Sharing my country's experience** with the WES Project coach and technical experts
- 54%
 - **Shaping** meeting **Agendas** (topics, speakers, etc.)
- 18%
 - Directly participating in **running meetings** (moderating a session, presenting an experience...)
- 18%

AGENDA

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

1. How we will work on the virtual platform

2. Welcoming remarks

3. Introduction to the WES activities on single-use plastics, P2P process and team

4. Exploring Peer's role

5. Regional training webinars on single-use plastics

6. Work plan of the P2P process

7. Wrap up of the meeting

5. Regional training webinars on single-use plastics

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

OVERALL CONSIDERATIONS

- From a Regional Workshop to online training webinars
- Target group: Peers + representatives of business sector and CSOs. WES countries + Western Balkans + Turkey
- Timing: **Jan-Feb 2021**
- The total duration of the virtual training would be **8 hours of webinars** (4 sessions, 1 session every 2 weeks)
- The webinars will include **exercises**, as well as pre- and post-webinar exercises
- The development of the webinars will be steered by a **Coordination Team**

5. Regional training webinars on single-use plastics

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

Your feedback is key.

- General understanding of **priority SUPs** in your **context**
- Some **misconceptions** on relevant **policy measures for each SUP**.

INTERESTS

- **Lessons** from **experienced countries**
- Collaboration across the **value chain**
- Use of **economic instruments**
- Use of **impact assessments** of different policy options

AVAILABILITY

- Can engage **1h weekly**
- Prefer **2h fortnightly sessions**

5. Regional training webinars on single-use plastics

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

Webinar 1. The problematics of single-use plastics

- Basic terms and definitions related to SUPs
- SUPs production and consumption
- Amounts, types, pathways, sources and impacts of marine litter in the Mediterranean
- Implications of the COVID-19 pandemic

Webinar 2. Responses to single-use plastics

- Alternatives to SUPs: life-cycle assessment approach, end-of-life management
- Policy measures: description and feasibility
- Private initiatives addressing SUPs
- Status of adoption of measures (Med)

5. Regional training webinars on single-use plastics

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

Webinar 3. Exploring feasibility and impact of measures in the Mediterranean

- Dive into the “Baseline situation report” (4 countries as case studies)
- Impact assessment of policy measures
- Break-out groups

Webinar 4. Towards regional guidelines

- Reflect on a roadmap to tackle SUPs
- Implementation steps of measures
- define the scope of the guidelines

1. Members

- Technical experts
- Methodological experts
- Logistics providers
- Representation of **Peers** (*from 2nd meeting onwards*)

2. Role and functions

- **Steer** overall Training process
- Approve **Agenda** for Training
- Approve **Facilitation Plan** for Training
- Help **mobilise** key **constituencies** to help Training succeed (*speakers, technological suppliers, interpreters, participants*)

5. Regional training webinars on single-use plastics

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

Upcoming tasks for the **Coordination Team**:

1. Meeting to agree on the final content and exercises of the webinars
(December 2020)
2. Meeting to evaluate the success of the webinars (March 2021)

Would you like to become member
of the Coordination Team?

AGENDA

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

1. How we will work on the virtual platform

2. Welcoming remarks

3. Introduction to the WES activities on single-use plastics, P2P process and team

4. Exploring Peer's role

5. Regional training webinars on single-use plastics

6. Work plan of the P2P process

7. Wrap up of the meeting

6. Work plan of the P2P process

Objectives of the P2P activity

- Sharing knowledge
- Sharing expertise on solutions
- Boosting south-to-south (and north- south) cooperation
- Building lasting relations and exchanges
- Contribute to the UNEP/MAP Guidelines on SUPs

6. Work plan of the P2P process

How we will work?

- **Meetings**
- Preparatory work for meetings
- Contact coach by e-mail
- Shared folder

Els meus fitxers > **WES P2P single use plastics**

2nd meeting

Background info WES P2P

RE-1-P2P_ Workplan_Final_EN.pdf

RE-1-P2P_ Workplan_Final_FR.pdf

6. Work plan of the P2P process

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

Content in the meetings:

- Case studies
- Collaborative platforms
- Revision of Regional guidelines

6. Work plan of the P2P process

Content for the 2nd P2P meeting

- Presentation of case studies
- Available collaborative platforms
- Matching needs
- Training webinars agenda confirmation

6. Work plan of the P2P process

CASE STUDIES

- “a policy measure, or private initiative, addressing SUP items”
 - availability of background documents
 - clear information on how the measure has been implemented
 - impact
 - challenges in implementation
 - Preparatory work
 - Cases available in the shared folder
 - Online form to identify and prioritize case studies
- ↓
- Selection of case studies for presentation

7. Closure

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

Date for next meeting

- Thursday 10th December 12-13:30 CET

**Water and
Environment Support**
in the ENI Southern Neighbourhood region

- Thank you, see you soon!
